Secure Accommodation Details and Facilities

The Pasuda range of Security Buildings offers the ideal solution for exposed and vulnerable locations.

Our traditional product portfolio includes construction site set-ups of offices, canteens, stores and toilets and buildings individually designed to your precise requirement – all with unbeatable security features.

In addition Pasuda has developed a STEEL ANTI-VANDAL BUILDING within a MODULAR FRAMEWORK, allowing for almost unlimited scope in terms of design and facilities.

Hire, sale or individually designed purchase options available
